OTHER AREAS WORLDWIDE

Skyrocketing fuel prices are devastating to poor and struggling people everywhere. Poverty and hunger, already widespread, is increasing. Missionaries are responding.

War is terrifying, even if it's far away. People around the world are seeking comfort and asking hard questions about life. Our missionaries are there with the transforming joy of the Gospel.

Please join the Ukraine Emergency Campaign to share God's Love with people in the war zone, the many who have fled to nearby countries -- and people worldwide who are struggling with the economic and spiritual impact of the war.

You will help save lives, give people hope, and spread the Good News!
