### 禱告事項

For Dr. Phyllis

1. Please continue to pray for Jim and Roxanne's repentance. Recently they had expressed their so called repentance, but only lasted for a while.
2. Dr. Phyllis and 12 young people are having a retreat. Please pray for Dr. Phyllis' discipleship to them, as well as their spiritual learning and growth with a humble heart .

For Tony & Ming:

1. Please pray for Ming and me as we will be traveling to Malaga, Spain (12/27-1/9) to participate in the European conference for WorldVenture missionaries. Pray for our travels and health, it seems like anyone who is traveling by airplane is getting sick.
2. Ming will lead two seminars, one on healthy grieving and one on a Bible format for lament. She is also leading a retreat for first-term missionaries. I will lead one workshop on living with a good God and personal evil.
3. Pray for Holy-Spirit led opportunities to counsel and coach.
4. Pray that the seminars will be helpful for the missionaries who are serving throughout Europe (including Ukraine) and the middle east.
